Dedication

TO Mr. Byron Davis, our class sponsor, our friend and adviser, our champion and counselor, we, the Senior Class of Sherman High School, dedicate this volume of *The Athenian*.

Dear Student Body of Sherman High:

True happiness is in service. There never was a time since the world began when there was a greater opportunity for service than now. We hope that your contacts in Sherman High School have given many experiences that will better fit you for service. Above all, we hope that these contacts have served to develop the ideal of service. If any teaching has been amiss forget it. Pass on that teaching that has enriched your lives. We are expecting that as each class passes from our beloved school, another glorious page will have been added to the history of Sherman High School.

Carry on.

L. T. COOK,

SHERMAN HIGH SCHOOL

The old stone steps, with the lion's head,
The trees and the old stone walls,
The love, and the laughter, and the life,
That we knew in those rugged halls;
Through all of your life in the after years,
Through tears and through laughter, too,
Your heart will expand with pride, and pray—
"Sherman High—May God bless you."

The old stone steps may crumble down,
And the lion's iron head may rust;
And all the walls will tumble down,
The cornerstone may turn to dust,
Still, wrinkled by Time and Ages grey,
The thought will thrill through and through;
You will lift your head, and proudly say—
"Sherman High—May God bless you."

Fellow Students:

"Happiness lies not in the mere possession of money; it lies in the joy of achievement, in the thrill of creative effort." My association with the students and faculty of Sherman High has led me to a fuller realization of this great truth. The highest development of the intellectual, the social, and the spiritual qualities will bring the highest degree of happiness. Paraphrasing the statement of the Great One, seek these traits and all the necessary material values of life will be added unto you. Acquire those things that endure, things that are not consumed by their use, nor by sharing them with others—true happiness and true success will crown your efforts. So may our school and the life which it creates be dedicated to the enrichment of the lives of our boys and girls to the end that these graces may abound.

THE SENIOR CLASS

President ..... Jim McDougal
Vice-President ..... Linda Wharton
Secretary-Treasurer ..... Victor Abrams
Class Representative ..... Essie French
Sponsor ..... Mr. Byron Davis

Every school must have its freshman class, and we had our turn in 1931. Today we feel quite proud of the record we have made in the four years since that time. We have long looked forward to the time when we should be seniors—the class of 1934—and as such we believe we have contributed much to school life.

Seniors have taken part in every school activity. Under the leadership of Mr. Davis, our enthusiastic sponsor, and Jim McDougal, our hard-working president, we have endeavored to attain our goals. The football captains, Frank Guzick and Marion Muse, as well as the majority of the lettermen, were members of the Senior Class. We were equally well represented in basketball and track.

Decided preference for seniors was shown in the selection of club presidents. Among those holding major offices were Joe Hight, Student body and Hi-Y president; Euna Mae Hill, What Next president; Jane Patton, Scholarship club president, and John Lee Marshall, Representative Council president. As usual the two publications were edited by seniors.

Many seniors worked with zeal to represent Sherman High in the Interscholastic League contests. For the first time, two senior plays were given, both with unusual success. The Senior Carnival was an outstanding event of the year.

It is needless to say that we have enjoyed this year, the goal of our entire school career. It has been full of pleasant associations with both teachers and friends. Again we say—"TO THE CLASS OF 1934!"

THE JUNIOR CLASS

President ..... Paul McConnell
Vice-President ..... Roger Carter
Secretary-Treasurer ..... Ruth Ellen Gray
Class Representative ..... Jim Alexander
Sponsor ..... Miss Clara Joe Brown

The members of the Junior Class of this year have maintained the high standard set when they were freshmen and are very proud of their class for its outstanding work in making the school a success. The class of '35 has been represented in many activities of school life this year.

Many of the names appearing on the Honor Roll each six weeks period were those of juniors. In the Spanish and Latin clubs, our class is represented as well as in the Choral and Glee clubs. We also have some Future Farmers and some Home Economics club girls who will especially serve the world in the future.

Our class has not been less prominent in the most interesting activities of the school—football, basketball, and track. Some of the best Bearcats, Bearketts, and Bearkittens are members of the Junior Class.

In the Junior Class there is dramatic talent as well as that displayed in the other activities. The juniors displayed their best dramatic talent in the play, "Shavings." On this same program the Choral and Glee clubs also appeared. Along the same line, the juniors presented an unusual program in assembly during Book Week on "Books That Live."

Our class has many clear thinkers such as are needed for the debate team. One of the boys on the first debating team is a member of the Junior Class. This same type of students is found among the spellers, essay writers, and the contestants in the other events in which our school participates. Their main purpose in these efforts is to honor our school as much as possible. In the band we have many representatives who are making the school a success in a musical way.

Considering the Junior Class as a whole, we find that in many respects it can not be excelled. We are proud of our class this year and hope that we shall be able to do much more for the school in our senior year than we have in the past.

To Sherman High and the Class of '35!

—Helen Orr, '35.

THE SOPHOMORE CLASS

President ..... M. C. Everheart
Vice-President ..... Joan Ladd
Secretary-Treasurer ..... Genevieve Kolb
Class Representative ..... Jack Vestal
Sponsor ..... Mrs. Washam

During our freshman year, we accomplished much work due to the ability of our capable sponsor, Mrs. Porter Travis. We returned to our work in the fall of 1933 with brighter hopes and bigger ideas for the coming school term.

We held our first meeting soon after school opened, and the following officers were elected: M. C. Everheart, president; Joan Ladd, vice-president; Genevieve Kolb, secretary-treasurer; Jack Vestal, class representative.

The sophomores were well represented in the extra-curricular activities of the school. We had several girls on the basketball team and a large number of boys on the Bearkitten team, who will compose the greater part of the school's football squad next term. Two of our members "lettered" this year, one having been elected captain for the coming year 1934.

We had a good representation in the numerous clubs, also; and made a remarkable showing in the popularity contest sponsored by the Athenian. Our representatives were among the most outstanding members of the school and we are proud of them, indeed.

The play, "Two Crooks and a Lady," which the sophomores presented in chapel was most enjoyable. It was directed by Mrs. Washam, the sponsor of the Sophomore Class.

May we accomplish as much in the next two years as we have accomplished the past two.

—Joan Ladd, '36.

THE FRESHMAN CLASS

President	Artymae Connelly
Vice-President	Betty Browne
Secretary	Mary Louise Ladd
Treasurer	John Ellis
Class Representative	Tom Moore
Sponsor	Mrs. Porter Travis

The Freshman Class organized about three weeks after school started, with Mrs. Travis as the sponsor. This year our class has had several class meetings with interesting programs given by faculty members and students. On March 2, the freshmen gave, as usual, the Texas program in chapel.

Our class has been ably represented this year in the Choral club, Pep Squad, and Bearcat Band. Several students worked on debate, declamations, and spelling for honors in the county and district interscholastic meets.

The Junior Honor Society has had a large membership this year. They had an enjoyable and exciting day when they were initiated.

We feel that we have had an interesting share in all the activities and expect to live up to all the ideals of Sherman High.

—Lucille Altman, '37.

1933 GRID GAMES

SHERMAN VS. TISHOMINGO

Tackling a team of unknown strength, the Bearcats gave the Sherman fans an exciting first game by defeating the Tishomingo team 13 to 6.

SHERMAN VS. BONHAM

In a splendid defensive struggle the Purple Warriors, Class B aggregation from Bonham, battled the Bearcats to a scoreless draw. The Bearcats were outweighed on the average of about fifteen pounds to the man.

SHERMAN VS. OAK CLIFF

Due to nervousness mostly on account of much green material, the Bearcats were slipped up on by the Oak Cliff Leopards and trampled under a 13-0 score.

SHERMAN VS. McKINNEY

With two evenly balanced elevens battling furiously in a night game at McKinney, which saw many trick plays, the Bearcats nosed out the McKinney Lions 6-0 by pushing over the single tally in the last two minutes of play with Captain Guzick carrying the ball.

SHERMAN VS. NORTH DALLAS

Although very inexperienced, the Bearcats staged a brilliant performance in the first half; the Bulldogs scored twelve points in the last half to beat the Bearcats.

SHERMAN VS. DENISON

Storming the Jackets' defense near the close of the first half, the Bearcats blocked a punt and recovered it on the enemy's four yard stripe, after which Jack Vestal carried the ball across for the only score of the game, which was played in a sea of mud.

SHERMAN VS. GAINESVILLE

The Bearcats outmaneuvered and outplayed a much heavier and more experienced Leopard team but were unable to score. The power thrusts of Captain Frank Guzick almost tore the Leopard line to pieces.

SHERMAN VS. DENTON

In a game full of thrilling long passes, end runs, and line bucks, the Bearcats defeated the Broncos 6-0. Taking to the air in the closing minutes with Slayden and Joe Jackson doing some fine pass snatching, the Bearcats pushed across the only marker of the game with Captain Guzick taking the pigskin over.

SHERMAN VS. ATOKA

Although roundly outplayed throughout the first half, the Bearcats came to life and trounced the Indians by a score of 13 to 3. It was Bun Hampton and Wilson McConnell, who played his best game of the season, upon whom the locals based their attack.

SHERMAN VS. HIGHLAND PARK

Playing on a heavy field and against heavier opponents, the Bearcats went down to defeat; but every Cat fought until the final whistle blew. The Highlanders scored a total of nineteen points against the Bearcats at the S. M. U. stadium, their tallies resulting mostly from long runs. In this final game, Captain Guzick nursed a badly hurt knee; Jimmie Stone shared honors with Bun Hampton, both of whom time and again threw the enemy for losses.
